Story In Three Sentences.³ For instructions, see Step Study→Step One on the [COSA Zoom Room](#) website for the PDF.

- Sentence 1: The Story – Write out (in one sentence) your process of making a list and becoming willing to make amends.
- Sentence 2: Write out (in one sentence) what you did that you wish you had either not done or done differently.

³ Dennis F - [website](#)

→ Sentence 3: Write out what would have been a better choice and/or would choose to do in the future when that situation repeats itself.

Example:

- **The Story:** *Sometimes, I was unwilling to spend money on the things my husband considered vital to his life.*
- **What do you wish you had either not done or done differently?** *I wish I had been more willing to discuss financial differences and fully understand that my basic flaw of “arrogance” flares, especially regarding financial issues. (I am indeed better with finances than he, but we all have the “wants” in our life that make it more enjoyable, and I sometimes consider the bank balance to be of more importance than his desired “toy.”)*
- **What would have been a better choice?** *It would have been better to have presented/created together a financial plan/budget that would have satisfied his desires for whatever “toy” it was that would have allowed both of us to come away winners - eventually.*
